

ENVIRONMENTAL MANAGEMENT POLICY

Steelstruct understands that care for the environment is an essential part of conducting its business operations.

Steelstruct is committed to continuous improvement in our business operations in order to protect the environment, in accordance with the requirements of the law, our clients, and expectations of the general community.

In applying this Policy, Steelstruct activities shall be controlled by the following principles:

Steelstruct shall abide by all relevant laws, Acts, Regulations and Standards.

Steelstruct shall plan, develop, implement and monitor relevant procedures and standards to minimise any unfavourable environmental impact that may result from our business activities.

We are committed to working towards and aligning our business management systems with the core ISO: 14001.2004 Standards for best practice Environmental Management.

Our employees shall be encouraged to develop a sense of responsibility towards the protection of the environment.

We will ensure that our employees are informed of our policy and are aware of their environmental responsibilities in relation to Steelstructs business activities.
